United Fund Breakdown Listed Here

Successful Campaign
Collects 101.6 Per Cent
Of \$94,189 Goal

With all seven divisions of the Greater Holland United Fund-Red Cross campaign exceeding amounts reported in the previous year's campaign, the total contributed or pledged, through the generosity of the citizens of the Holland area in this year's United Fund drive, now stands at \$95,749.65, or 101.6 per cent of the \$94,189 goal.

The announcement was made by Robert Noll of the cost accounting department at General Electric Co., chairman of the volunteer campaign auditing committee. Other members of the committee, who put in a total of 72 man hours of work in auditing pledges and cash turned in at report meeting were Samuel Parks, Richard Nourie, Charles Markarian, Gustave Doepeke, Jason Goodkyke, George Wise, Bernard Haak, Dale Klomparsen, Gerald Jager, Robert Fatherson, all of General Electric Co., and Eugene Kunst of the Holland Furnace Co.

Five divisions of the campaign exceeded their respective quotas. They are: construction, Charles Fauquier, quota \$2,000—raised \$2,575.38 for 128.7 per cent of quota; professional, Robert B. Wolbrink, \$3,000, \$3,160.50 for 105.3 per cent; public-civic, Vern Schipper, \$6,000, \$6,704.44 for 111.7 per cent; industrial, Leonard O. Zick, \$57,839, \$59,774.91 for 103.2 per cent; residential, Mrs. Joseph W. Lang, Sr., Mrs. L. W. Lamb, Jr., Mrs. William H. Venhuizen, \$6,000, \$6,923.07 for 115.3 per cent.

Top honors for the section obtaining the highest percentage over quota went to section 5 of the public-civic division raising \$3,212.10 on a quota of \$2,275 for 133.7 per cent. Myles E. Runk, section 5 major, said that the exceptional increase over the quota was the result of a more extensive coverage and an increase in the rate of pledging, due to payroll payment plans for pledge payments introduced for the first time in many of the schools. All grade and high school teachers and staff in the Holland area were included in section 5.

A complete breakdown of amounts raised by divisions and areas within the divisions follows: commercial, Clarence Klaasen, \$11,300.65; section 1, William P. DeLong, \$4,319.50; section 2, William J. Plan Confab With GOP Executives

President Eisenhower
Offers to Aid Kennedy,
In Taking Over Office

HYANNIS PORT, Mass.

—President-elect John F. Kennedy conferred today with top staff members preparatory to replying to an offer from President Eisenhower for a cooperative plan to ease the transition from a Republican to a Democratic administration.

There was no immediate answer to the Eisenhower offer, but Kennedy was expected to send a reply during the afternoon.

Preparing to leave for a rest in Florida, the Democratic winner of Tuesday's national elections spent the morning in conference with his chief advisers, including his brother Robert, Ted Sorensen, Lawrence F. O'Brien, Kenneth O'Donald, and his press secretary, Pierre Salinger.

Eisenhower sent Kennedy a message Wednesday which was made public today offering to meet him "at any mutually convenient time" to help on the problems of transition and also inviting Kennedy to designate representatives to meet with key administration officials, particularly in the field of foreign policy and administrative planning.

With the Cape Cod weather turning bad, it seemed certain the Kennedy family would leave Friday for Florida, where the senator's father, Joseph P. Kennedy Sr., has a home in Palm Beach.

Eisenhower suggested Kennedy name representatives to work with Maj. Gen. Wilton B. Persons (ret.), the top White House aide, Secretary of State Christian A. Herter, and Budget Director Maurice H. Stans. Eisenhower assigned Persons the job of coordinating the transfer of presidential responsibility.

ZEELAND — Zeeland's Chix mauled Kelloggsville 51-7 here Friday night, to finish the football season with an unblemished 8-0 record.

Zeeland moved the ball practically at will, as the Chix scored six touchdowns, while piling up 323 total yards. The Chix clicked both in their ground game and through the air.

Chuck Ter Haar crossed the Kelloggsville goal on a quarterback sneak for the first Zeeland tally, after a 34-yard Ter Haar-to-Ken Elenbaas pass on the first play of the game set up the action. Ter Haar converted.

Moments later, a Kelloggsville fumble and a Zeeland pass play covering 27 yards put the ball on the Kelloggsville four. Elenbaas went over for the score, and Ter Haar converted again.

Still in the first quarter, Kelloggsville received the Zeeland kick, fumbled, and then were backed up to the 15 by a Chix pass. Elenbaas swept the end for 15 yards and the score, but the Zeeland conversion try failed.

In the second quarter, Zeeland scored once when Ron Glass ran 33 yards on a wide reverse. Zeeland Coach Gerald Groters sent in an all-senior team to play offense for the third frame.

A sustained Chix drive brought the ball to the Kelloggsville 13 after the intermission. Ter Haar passed to Roe for 15 yards, and then converted. Glass scored again in the third quarter on a reverse, this one for 11 yards, climaxing another Zeeland drive.

Groters inserted reserves on offense in the fourth quarter. Alert Paul Nyenhuis, a guard, picked off a Kelloggsville pass and raced 52 yards to score. He picked up a key block by Rich Miyamoto to break loose. Ter Haar's conversion attempt failed.

On the last Zeeland TD, Gary Lamer started, with a 30-yard dash to the Kelloggsville 5, following by a five-yard tote into pay dirt.

The only relief from the Zeeland scoring parade came in the second quarter when Kelloggsville quarterback Rolie Walcott hit full-back Bob Mosier in a 37-yard touchdown pass play. Halfback Scott Graham ran for the conversion.

Groters had high words of praise for defensive tackles Bob Meyers and Bob Schrotenboer for their work in containing the Kelloggsville offense. Dave Arendsen, Bob Elenbaas, and Tom Posma also figured prominently in the Zeeland defensive wall. Groters said.

Offensively, Groters credited Ter Haar and Roe with fine performances, and said the running of Elenbaas and Glass kept the Kelloggsville defense guessing.

Groters was particularly pleased with the "giant-killer" role assumed by the Chix throughout the season. He pointed out that the Chix hold wins over Grandville, Fremont, and now Kelloggsville, each of which is a champion in an area conference. Zeeland played as an independent this year.

Offense, Line Are Too Much For Mustangs

PORTAGE — Holland High's football team assured itself of its best season since 1949 Friday night, when the Dutch hammered out a 25-7 win over a game-but outclassed Portage squad here.

The local gridders also put themselves in an excellent position to become the third team in Holland history ever to win seven games in a season. The 1925 Dutch, under the late Milton (Bud) Hinga, father of current Holland mentor, Bill Hinga, were the last to turn the trick.

The elder Hinga's team turned in a 7-1 record, after the 1917 squad had established the seven-win mark first, under Charles (Cubby) Drew.

Bill Hinga played his entire squad in Friday night's win over Portage, and once again it was the balanced attack of the Dutch, coupled with the rugged line play that served both to crush and contain the Mustangs.

The Mustangs received the kickoff, but could go nowhere in three tries. A punt on fourth down was partially blocked, and Holland took possession on the Mustang 35 yard line.

After the first Holland play from scrimmage was called back by a penalty, quarterback Rog Bourma hit end Ben Farabee with passes of 38 and 12 yards to cross into pay dirt. Larry Mannes' kick was good and Holland led 7-0 early in the quarter.

The ball changed hands three times, before Holland put together a 13-yard pass play and two ground slashes, all featuring full-back Bob Manglitz, to get to the Mustang five. Gary Smith then scampered into the end zone for the touchdown. Mannes' kick was wide, and Holland led 13-0 at the end of the quarter.

Bourma caught the Mustang pass defense napping early in the second quarter, and rifled an aerial to end Jim De Vries, good for 43 yards and the third Holland touchdown. Again the conversion attempt failed, and the teams left the field at the intermission with Holland out front, 19-0.

Another Bourma-to-De Vries pass from the Mustang 13 into the end zone was called back by a penalty late in the third quarter, after Holland got the ball in Mustang territory on another bad punt. But the Dutch scored anyway, as Bourma bootlegged to the five, and halfback Chuck Klomparsen bulldozed over.

A penalty gave Holland two chances at the final conversion, but the second try was off the mark, and the Dutch scored stayed at 25 for the rest of the game.

Taking over after a Holland drive fizzled near mid-field, near the games end the Mustangs cleared a way for Bill Oakley to streak to the Holland 34, and a 15-yard penalty against the Dutch placed the ball on the 19.

A short gain and another penalty put Portage on Holland's 13. Then sophomore quarterback Bob Williams threw a 13-yard toss to end Jim Van Dyken in the end zone, with 20 seconds left in the game. Williams sneaked over for the conversion, and the final 25-7 score.

Holland coach Hinga was conservative in his praise of the Holland performance after the game. He said the team hit hard, as a rule, and showed plenty of spirit, but made mistakes that would show against a tougher foe.

Hinga said that Holland's play will have to "sharpen up" to be equal to next week's season finale against Grand Rapids Central. He praised the soundness of the center of the Mustang line, which, he said, gave Holland more trouble than the score of the game would indicate.

Hawks Extend Win Streak To 24 Games

FENNIVILLE — West Ottawa's football team joined the ranks of the area grid squads who have tried and failed to break the Fennville win streak, as the Blackhaws notched a 21-0 win over the Panthers at Fennville Friday night in the final game of the season for both clubs.

The jubilant Fennville players carried off their coach, Sam Morehead, after the contest, which brought the Fennville string to 24, covering two seasons and part of a third. Many of the Fennville seniors can boast of never losing a varsity football game.

For the Panthers, it was a case of inexperience matched against the sureness of the Fennville veterans. But the game was closer than the score indicated, as the second and third quarters were scoreless.

The Blackhaws struck first through the air, when Ted Strnad hit Hank Barnes with a 54-yard pass a couple of minutes after the opening kickoff. Chuck Kwiatkowski converted.

With less than a minute to go in the first quarter, Barnes raced 46 yards to the Panther two. The Panthers hurled the next Blackhawk attempt back five yards, but Strnad hit Kwiatkowski in the end zone with a pass on second down for the TD. Kwiatkowski converted again, and the score remained 14-0 until the last quarter.

The final Fennville tally was set up by a Panther fumble on the West Ottawa 10. The Blackhaws recovered, and on the next play, Barnes tore over the goal line. Kwiatkowski made it three-for-three with another good kick, to bring the count to 21.

West Ottawa Coach Ron Wetherbee said the two quick Fennville touchdowns in the first quarter put the Panthers' spirits down, and a West Ottawa offensive drive never could get started after that. Defensively, the Panthers bore up well in the second and third quarters, with neither team able to move the ball.

Guard Adrian Merryman, defensive linebacker Steve Piersma, fullback Marty Vande Water and quarterback Bill De Graaf came in for praise from Wetherbee for their work, particularly defensively.

Wetherbee noted that although the game was played in rain and mud, fumbles for both teams were few. Statistically, he said, neither team managed to pile up much yardage, with the difference coming in the two big gains by the Blackhaws.

West Ottawa concluded the season with a 1-6 record.

BENTON HARBOR — The Holland High reserves buried the Benton Harbor football reserves 52-12 yesterday, led by the running of Tom Depuydt and Chuck De Witt, and the passing of Carl Wolters and Gordon Bosch.

"We didn't make any mistakes, everything worked," said coach Tom Carey of the eighth straight victory of the scrubs. The unbeaten reserves have one game remaining, against Grand Rapids Central a week from Saturday.

Gaining 456 yards passing and rushing, and holding Benton Harbor to three first downs, Carey used 40 players, clearing the bench in the second half. Tom Essenburg ran 33 yards on a reverse for another first period touchdown.

Community Day Program Held; Officers Elected

Mrs. Walter Scott, wife of the superintendent of Holland Public Schools, was elected president of the Holland Council of Church Women Friday morning at a meeting held in connection with the annual observance of World Community Day in Trinity Reformed Church.

Other officers elected are Mrs. James Ward, first vice president; Mrs. Marinus Hamelink, second vice president; Mrs. Don Huismann, secretary, and Miss Clara McClellan, assistant treasurer. Their terms of office begin Jan. 1.

Speaker for the afternoon was Dr. Harold Englund, new president of Western Theological Seminary whose travels in Europe and the Middle East lent authority to his stirring remarks on the topic, "This Is Our Father's World."

He declared that today's world is more of a community than ever before due to increased travel, greater communication of ideas through world press and radio, the economic interdependence of nations, and the military threat of nuclear weapons.

Pitted against these facts he showed that any concept of world community is basically a Christian idea, as is the view of this being a Father's world; of there being no favored race; of a mission to the whole world; and the striving of the Christian church toward world community. He cited four present opportunities for working toward this community: namely, through literacy and literature, radio, hospitality to foreign students, and the possible influence of Christian young people by their going into educational service overseas, or the origin service of the state department or even into business abroad.

THE NEW PRESIDENT

When John F. Kennedy is inaugurated as President of the United States Jan. 20, 1961, he will find himself in the most challenging job of the free world, and without a doubt the most powerful job. Some of the President's jobs are listed in the book, "The American President," by Prof. Clinton Rossier. These include chief of state, chief diplomat, commander-in-chief of the armed forces, chief legislator, head of the party, chief of the people at home and abroad. He probably will attend meetings in other countries because he is leader of the free world. With the population growth and changes in government, there are bound to be more demands on the President of our country.

The campaigning that is necessary to win the office every four years become more arduous with the growth of the country. It takes a rugged individual who must keep himself in the best of condition to withstand the rigors of the office after he wins it.

There will be many new faces in the change of administration. There will be plenty of problems for everyone. We must all continue to work hard to make our government the most efficient and the best in the world. The eyes of the world are on us.

Our Experience of God
By C. P. Dame

We do not know who wrote Psalm 116. In the psalm the author reveals a personal relationship to his God. A reading of the psalm suggests that the writer had a real experience of God.

It is good to call upon God in times of trouble. Read the psalm please again and note how often the pronouns "I" and "me" and "my" appear and also observe the various references there are to God. In the first verse the psalmist confesses his love to the Lord. Not all people love the Lord—some hate Him. The psalmist had sound reasons for loving the Lord as the words, "because He hath heard my voice, and my supplications" indicate. The Lord had "inclined His ear" unto him, and therefore he had resolved to call upon Him as long as he would live. Some people think of God only in times of trouble and when the troubles depart their thoughts of God cease. Spasmodic religion does not please God. Who cares about these momentary friendships which are the result of a special favor?

The psalmist had been critically sick and he had suffered. He had been troubled by physical pain and emotional disturbances. In his sad plight he called upon God and was helped. Many people have had the same experiences that the psalmist had. Through his sickness he had learned to know God better. And this has happened to many others.

II. Life's trials teach us truths about God. The psalmist uses three words about God—the word "gracious," "righteous" and "merciful." Through the troubles that came to him, the psalmist learned that many others had experienced similar to his, and so he wrote, "The Lord preserveth the simple." The word "simple" may be misunderstood—the word refers to people who are abused by the wicked and have not the stamina to stand up to it. Often when a person meets some kind of trouble he learns that there are others who have similar difficulties. And it is not unusual to learn from the troubles that they too have been helped by the Lord.

We can discourage and encourage ourselves. The psalmist encouraged himself by thinking of the past mercies of God. This is a good thing to do. We so easily forget the blessings of last year and yesterday. And we are so slow to talk about what the Lord has done for us. The psalmist said, "I believed, therefore have I spoken."

III. Thankfulness is always in place. The psalmist asked, "What shall I render to the Lord for all his benefits towards me?" He did not think of reasons why his neighbor should be grateful to God. Nor did he compare his blessings with those of others and complain that they were fewer in number. This man was conscious of God's blessings and realized that he ought to give Him thanks.

The question this man asked he answered. He said that he would take the cup of salvation and call upon the name of the Lord. The cup which the writer mentions was very likely the cup from which the worshiper drank in a service of worship. In addition he would call upon the Lord in prayer and pay his vows. Some people make vows and keep them while others make many promises to God when they are in trying circumstances but they forget the promises as soon as the sun of prosperity shines again. If you have any unpaid vows don't wait any longer—take care of them immediately!

About 300 bandsmen from Holland Christian, E. E. Fell Junior High and Holland High will perform at halftime ceremonies Friday night of the Holland-Grand Rapids Central football game in Riverview Park.

Friday, Nov. 11, is Veteran's Day and the theme of the half-time show will be patriotic. Formations will depict the wars which involved the United States including the Civil War, Spanish-American War and World Wars I and II.

For each of these wars there were songs which helped to carry patriotism in the hearts of the fighting men and the folks at home. Selections slated are: "When Johnny Comes Marching Home," "The Stars and Stripes Forever," "Over There" and "You're a Grand Old Flag."

The program will close with a cross within a church formation and the playing of "A Mighty Fortress is Our God."

This performance marks the first time that the three bands have performed together at a football halftime show. However, many time during the past years the groups have played concerts and festivals together.

The Holland High band has played for all of the home games this season, played at Muskegon Heights and at Band Day at Central Michigan University in Mt. Pleasant.

Henry Vander Linde is the director of the Christian High band and Alvern Kapenga, David Overton and Arthur C. Hills are directors of the Holland bands.

Ottawa County 4-H News

By Willis S. Boss
County Extension Agent, 4-H

Ten counties in the state were represented at the Griswold Auditorium in Allegan, for a one-day Leadership last Saturday. Each county has allowed a delegation of 12-20 leaders. Theme for discussion was "Understanding is the Key to Leadership." The following leaders represented Ottawa County: Mr. and Mrs. Gordon Schuitman, Bursley; Mrs. Lester Ohlman, Hudsonville; Mrs. Esther Koning, Hudsonville; Gerrit Berens, Beaverdam; Neil Zuidema, Barney Zuidema, Holland; Mrs. Henry Geurink, Allendale; John Koning, Roland Reed, LaDeane Sichterman, Coopersville; and Dale Rosel, Conklin. An enjoyable time of fellowship and exchange of ideas took place, under discussion topics on rewards of being 4-H leaders, part of the older 4-H member plays in club work, developing and holding the interest of younger 4-H members, parent-leader cooperation. Dr. Russ Mawby and Dr. Nonnamaker, of Michigan State University, were highlight speakers.

Ottawa County's 10 4-H poultry members: Jack Geerlings, Bill, Jack, Don, De Witt, of Zeeland; Bill and Howard Tigelaar, of Hudsonville; Roger, Glenn, Calvin, and David Kuylers, of Allendale — did very well in the 4-H turkey show held at the Michigan Poultry Days at the Holland Civic Center on Nov. 1 and 2. However, the Howe sisters from Eagle, Mich. received the championship awards. These three sisters took the grand champion tom and hen and reserve champion awards. Buyers for these birds paid prices ranging from \$2.00 to \$5.00 per pound at the auction held following the banquet on Wednesday evening.

The egg show was also held during the poultry days. The sweepstakes winner was Jack Geerlings, selling his dozen eggs at \$10.25 to Bill Stokes.

It is time again to start thinking about scholarships available. Club members with at least 3 or 4 years of 4-H club work are eligible to compete. They must be in the upper 1/3 of their graduating class. If any member qualifies and is interested, request for application should be made to us, 4-H club office, Courthouse, Grand Haven. Hope Bumped from Title Race by Hillsdale, 48-27

Dutch Battle On Even Terms In First Half

HILLSDALE — A Hope College touchdown drive stalled on the Hillsdale one-yard line just before halftime, preserving a lead for the Dales, who went on to bury the Dutch 48-27 Saturday afternoon at Stock field here.

The touchdown would have knotted the score at 20-20, and a conversion would have meant a lead for the upset-minded Dutch at intermission. But the complexion of the game changed with the setback, and the powerful Dales went on to amass the most points ever made by either team in the 33-game Hope-Hillsdale series.

Hope battled uphill throughout the first half. Behind, 13-0 in the second quarter, the Dutch, who had moved to the Dales' 39 in four plays after a kickoff, tallied in five more. After Sharkey Vander Woude was stopped at the scrimmage line by the tough Dales line, quarterback Paul Mack hit Jon Schoon with a 24-yard pass, and a penalty put the ball on the Hillsdale seven.

A second pass was incomplete, but on second down, Mack found Schoon again in the end zone, and Neil Goodrich converted. But Jim Drake, speedy 5'11" junior halfback, took the kickoff and streaked 98 yards for the six-point counter. Roth's kick made it seven, and the score was 20-7.

Forced to punt after the kickoff, Hope took over again on the Dutch 48 when Kurt Van Genderen intercepted a Hillsdale pass. The Dutch drove to the Dales 6 in eight plays, making 19-yards on another Mack-to-Schoon pass. John Vandenberg carried to the four, and Schoon snatched another pass in the end zone which was almost intercepted. Goodrich's conversion set the stage for the Dales' dramatic goal line stand.

Hillsdale scored in the middle of the first quarter when Dick McDonald sliced over from the Hope one-foot line to cap a powerful ground-and-air drive. Jerry Schaffer's try for the point was wide.

A Hope fumble on the Hope 38 set up the second Hillsdale TD. Play moved to the Hope six in eight plays and almost ended there, as the Dales nearly lost the ball on a fumble, and missed on a pass. But on fourth down, Chuck Redding tossed to Bob Hankinson in the end zone, and Bart Misiak split the uprights with his kick.

Early in the third frame, Howie Rogers, vaunted senior halfback, broke loose for 51 yards and the end zone, Misiak converted again.

The Dutch fumbled on their own 20 on the first play after the kickoff, and Bill Knapp carried for gains of 11, four and five yards across the goal stripe. Misiak's conversion made the score 34-14.

The Dales ganged up to push Hope back to a fourth and 20 situation after the boot, and took over on their own 40 when the Dutch punted. Play got rough, and three penalties were called as action went to the Hope 28. Pete Stoner, in at quarterback, threw to Tom Ridley in the end zone, and Roth kicked the extra point.

Fullback Steve Slaght slashed over from the two in the fourth quarter to cap a Hope drive which started at the Hope's 27, and went most of the way on the ground. Goodrich failed to convert.

The Dales, using many substitutes, were held on downs after the kickoff, and the Dutch took over on their own 35. A Mack-to-Jim Bultman pass play covered 50 yards and put the ball on the Hillsdale 15. Goodrich converted when Mack passed to Schoon in the end zone three plays later from six yards out.

Drake made his second touchdown runback of the game on the kickoff. He gathered in the ball on his own ten, picked up a handful of key blocks, got behind the Hope defenders and was gone. Roth's kick completed the scoring.

Hillsdale remained undefeated in the MIAA with the victory, and Hope's record dropped to 3-2 in league action, and 4-4 overall. Hillsdale has won seven and dropped one.

Hope coach Russ De Vette said he was pleased with his squad's play in many respects, but disappointed in others. While the second-half drive that sagged was probably the turning point in the ball game, De Vette said Hope fumbles and the inability to contain Drake on runbacks were also damaging.

He said he was pleased that the Dutch were able to move the ball against the Dales, particularly since Hope was outsize by coach Frank (Muddy) Waters' charges. Quarterback Paul Mack's performance was termed "outstanding" by De Vette.

Hope sustained several injuries in the tilt. Center Jim Van De Weg was hurt in the first quarter, and freshman Steve Egger tilted in well for the better part of the game. De Vette said it is feared Van De Weg suffered a strained knee ligament, and may be out all this week.

Vander Woude, racked up hard in the third quarter, sat out most of the rest of the game, but did go back in briefly, and appears to be all right. De Vette said, But Jerry Nieuwma, a junior end, suffered a

Leaves Pose Trouble Here

City Engineer Laverne Serne is having trouble with the leaf pickup this year.

First off, the leaves seem to cling to the trees this season. That's nice for the people who like to put off leaf winter as long as possible, but no comfort to the man who wants to pick up the leaves.

Second, there's been too much rain lately, and the leaf loader doesn't work well when leaves are soggy. Consequently the street department has been using the front loader more than the leaf loader.

Last, people don't seem to be raking up their leaves this year as promptly as before. Perhaps it's because many leaves are still on the trees, but workmen can't remove the leaves if they're not at the curb.

Serne assures people in outlying areas, the pickup service will get out to such areas as soon as possible.

Holland Firm Changes Name To Donnelly Mirrors, Inc.

One of Holland's oldest companies is changing its name this week to portray more clearly the nature of the company and its expanding leadership in its industry. Donnelly Mirrors, Inc., today replaces the name, Donnelly-Kelley Glass Company.

"The name more truly reflects the identity and purpose of our company," John F. Donnelly, President, said today.

"For years the Donnelly family has been the sole owner and the manager of the company — the new name indicates that fact."

"Mirrors are our business—the new name clearly identifies our major products."

Founded in 1905 by Bernard P. Donnelly, Sr. and John Kelley, the designation of the firm as a glass company came partly from its production of glass for stained glass windows.

Through the years the Donnelly company turned its skill to the manufacture of fine mirrors for

the auto industry, the home furnishing field, and for a wide range of other purposes, including scientific and military applications. Sales are made throughout the United States and to foreign countries including Germany.

In 1926 John Kelley left the company and Bernard Donnelly, Sr. became the sole owner. Now Mary C. Donnelly, widow of the founder, is Chairman of the Board, John F. Donnelly is President and Bernard P. Donnelly is Vice-President for Manufacturing. In a memo announcing the name change to employees, John Donnelly thanked the firm's more than 145 employees for their cooperation in helping the company attain its present leadership.

Holland residents who take part in directing the company's operation include Richard N. Arthur, Sales Manager; George Steininger, Purchasing Agent; Justin Scholten, comptroller; and Konrad Marcus, Chief Engineer.

Republicans All Win in Ottawa

Ottawa County voted its usual 3 to 1 Republican majority in Tuesday's Presidential election, rolling up a record vote of well over 43,000. All county incumbents won handily.

Richard Nixon led the ticket, polling 32,678 votes to 10,630 for John F. Kennedy in the presidential vote.

U.S. Rep. Gerald R. Ford was second with 32,601 votes to 10,142 for his Democratic opponent, William G. Reamon.

Sheriff Bernard Grysen was third with 32,385 votes and Wendell Miles, Republican candidate for attorney general, was fourth with 32,043.

These were the only candidates on the county ticket hitting the 32,000 mark, assuring a better than 3 to 1 majority. Secretary of State James Hare led the county Democratic ticket polling 12,177 votes.

Ottawa County supported the

sales tax and school loans proposals but did not favor the con-con issue. Vote on the sales tax issue which would set up the machinery for charging an extra cent sales

tax was 18,930 to 13,432 in the county. The vote on school loans was 17,328 yes, and 13,940 no. The con-con proposal lost in the county, 15,999 to 14,494. Two years ago the county carried the con-con proposal 11,428 to 8,492.

Many, many persons in the county overlooked the non-partisan judicial ballot, presumably because it was somewhat obscured in the lower right part of the voting machine. With a total vote of better than 43,000, Ottawa County polled only 10,892 votes for James R. Breakey, Jr., and 8,511 for Theodore Souris, the incumbent who was nominated by the Democratic party. Chief Weapons Engineer Speaks To Rotary Club

Science students of Hope College were the guests of the Holland Rotary Club at their regular meeting Thursday afternoon in the Juliana Room of Durfee Hall.

Lovell Lawrence Jr., Chief Engineer of Weapons Systems, Advanced Projects Organization of Chrysler Corp. spoke on "Man in Space."

Lawrence, founder of Reaction Motors Inc., the first commercial enterprise in the United States devoted strictly to rocket development, and a Chrysler Corp. engineer since 1953, traced briefly the development of rocketry from its early beginnings through the accomplishments of the International Geophysical Year, and up to the present.

Using movies and still pictures to illustrate his talk, Lawrence showed the different stages in construction of a large missile at the Chrysler missile plant in Detroit. He also gave a "play-by-play" account by earthen.

On the question of progress in the U. S. compared to Russia in the field of missiles, Lawrence said the larger payloads which the Russian rockets are able to power does not represent any particular degree of a theoretical trip to the "breakthrough" on the part of Russian scientists which gives them an advantage over U. S. missilemen. He said he feels that the U. S. program of missile development is achieving significant progress at reasonable cost.

Lawrence defended sending a man into space at the earliest feasible opportunity, as against wasting valuable time and money in making explorations with instruments for a long period before orbiting a man.

He pointed out that exploration in any area has always involved human risk and asserted that a man, with his ability to think and act far more flexibly than any battery of instruments, would be able to make observations and findings which would speed up space travel research tremendously.

Miss Holkeboer Honored By Trinity Congregation

A memorable evening, recalling highlights of her 40 years of missionary service, was Trinity Church's tribute to Dr. Tena Holkeboer Thursday night as a capacity crowd gathered in Terkeurst auditorium to honor their retiring missionary.

Rev. Harland Steele, pastor, presided at the service with an appropriate introduction to the "Four Seasons" theme, using the familiar "laborers unto the harvest" scripture.

An ivy bowl, representing the springtime of Dr. Holkeboer's life, was presented by Mrs. Clifford Marcus who recalled the evangelist's early life in Holland, telling of her education at Hope college and her call to missionary service.

Mrs. Jacob Westerhoff presented the honored guest with a full-blown rose, symbolizing the summertime of the missionary's life, as she told of Dr. Tena's years of service as a teacher in Amoy, China and Manila in the Philippines. She recalled a harrowing pirate encounter in Dr. Holkeboer's life and highlights of a farewell program at Trinity in the war year of 1943.

A leaf-shaped pin, reminiscent of the lovely golden autumn, was presented by Mrs. George Glupker who described the current season in Dr. Holkeboer's life as a time for meditation and reflection.

To provide for the winter season, when like a busy farmer, Dr. Tena can enjoy a well-earned rest, Harry Wieskamp presented her with a check on behalf of the congregation saying that "God never puts his saints to pasture." He indicated that the remembrance would provide a warm bond with Trinity as she continued to do "the Lord's chores."

The final gift of love, "to hold not in the hand, but in the heart," said Rev. Steele, was presented to Dr. Holkeboer as members of the congregation greeted her personally following the meeting.

Special guests were a large delegation of Hope College girls from the Amoy region, in native costume, who sang in Chinese to honor Dr. Holkeboer. Moses King, a student at Western Seminary here, told of his peoples' great love and gratitude for Dr. Tena's missionary service and the personal encouragement he received from her. Leander Wang, son of one of her "favorite" former students, sang "Praise Be To Thee." He is a Hope student.

Other guests honoring Dr. Holkeboer were Miss Jean Nienhuis, Mrs. Edwin Koeppe and Rev. and Mrs. Henry DePree, all former missionaries to China; Mrs. Edith Walvoord, who served in Japan; and the missionary's sister, Gertrude, of Grand Rapids, where Dr. Holkeboer will make her home. Several New Players Join Zeeland Team

Cook's Texaco Oilers basketball team, a top attraction in the Holland-Zeeland area for the past two years, begins its third season on Nov. 19 in the Zeeland High gym with an array of new talent.

Only three members of last year's Oilers will return this season as Oilers officials continued to look for new players. Paul Benes, former Hope College great, Gary Lee, Central Michigan University record holder, and Ron Nykamp, only three-year veteran, are the returnees.

Three former Wayne State University stars have been added to the club. George Brown, 6'8" and ex-Tartar center, is expected to fill Arch Gowans shoes with his basketball talent and showmanship. Gowans has entered military service.

Nicknamed Jumping George, Brown is a tremendous rebounder and high scorer. He averaged 19 points per game for three years at Wayne State. He plays center and forward and is known for his sweeping hook shots.

Tom London, 6'10 1/2" ex-Wayne State player, averaged 15 points per game during his last two seasons. He is reportedly smooth and agile for a big man.

London, Benes and Brown will give the Oilers terrific backboard work. George Duncan, 6'1" is a scorer deluxe and well-remembered by Holland fans who watched the Dutch lose to Highland Park in the 1952 semi-finals of the state tournament. Duncan was a member of the Highland Park team and a top scorer.

Duncan set several scoring records at Wayne State and made several all-star teams. He scored 50 points in one game for a mark and sank 21 field goals in a single contest for a record.

He tallied 42 points in a single season for a record and averaged 26 points a game for a Wayne mark.

James Westbrook, 6'1", played his college ball at Lawrence Tech. He tallied 42 points in one game and was named the most valuable player in the 1953-54 season. He is a highly-regarded ball handler.

Herbie Lee, 6' and former Indiana University player, averaged 19 points a game in Big Ten competition. A fine outside shooter, Lee will team with Gary Lee to give the Oilers a top-notch guard combination.

Gary Lee, only 5'8" but a fine ball handler and scorer, made his mark last season. He holds all of the scoring records at Central Michigan. A fine defensive player, Lee specializes in ball stealing and getting the Oilers' fast break in motion.

Benes, 6'10" ex-Hope star and All-American selection, is one of the best known players in the area. He scored 1,716 points at Hope for an all-time scoring record and tallied 39 in a single game, also a Hope mark.

Nykamp prepped at Holland Christian and was a member of the 1954 Maroon team which lost in the finals of the state Class B tourney. Nicknamed "Peanuts," Nykamp is a good outside shot and the lone player left from the original team organized by Don Cook.

Gene Schrottenboer will again coach the Oilers. He has been at the helm since the team was organized. Bill Fox, Oilers scoring star, has joined the Harlem Magicians and will face the Oilers Monday, Dec. 26. Dean Adams and Dave Kemper are not playing this year.

The Oilers will face Vander Weide Plumbers of Grand Rapids Saturday, Nov. 19 at 8:30 p.m. in the season's opener. The Plumbers have picked up Dwayne Teusink, Jim Kok, Don Koopman and Don Vroom, all former Oilers.

Others teams on the schedule include: Port Huron Van Lines, Port Huron; Michigan City, Ind.; Indianapolis, Ind.; East Chicago Colored Giants and also two feature games with the Harlem Magicians and the Marquis Haynes Harlem Magicians. The Oilers play a 12-game home slate.

Special halftime entertainment is slated and Oilers officials plan to bring in major league baseball players and professional football stars.

All games will be Saturday nights with the exception of one Friday night game Dec. 2 and two Monday games, Dec. 26 and Jan. 2. Preliminary games are slated at 7 p.m. and any Holland-Zeeland area teams interested in playing may contact Lou Gorgman. Officials may also contact Borgman to officiate prelims.

Dell Koop, veteran Holland official, has lined up a top notch crew to referee the Oilers games. The officials include: Gene Rothi and Steve Sluka of Grand Haven; Ned Stuits, Ken Schuman, Joe Schmidt, Chuck Bult and Marv Bylsma of Grand Rapids and Koop, Jay Formsa, Bill Hinga and Norm Japiga of Holland.

Holland Frosh Showed Steady Improvement

Holland High's ninth grade football team showed steady improvement throughout the season but laced overall team speed and will have to work to overcome this factor before playing on the reserve team next year.

The frosh, coached by Ted Boeve and Don Piersma, scored four victories in six games this season. The Dutch lost to Muskegon Heights in the opener, 18-13 with the winning touchdown scored with less than a minute to play.

Holland tied the Tigers, 25-25 in the second game and scored two wins over Grand Haven and one each over Grand Rapids Godwin Heights and Spring Lake.

Although only 28 players made up the squad, the coaches continued to be impressed with the spirit on the club. The team was stronger each game.

Looking at the personnel, Boeve singled out halfback Jim De Neff as a fine runner. "As the season progressed, De Neff learned what a back should do in running," Boeve said. Junior Ruiz, another halfback, was described as a firm blocker and the "best tackler on the team." He scored a number of touchdowns on reverses.

Quarterback and co-captain Vern Plagenhoef, who sprained his ankle in the second quarter of the final game, was one of the bright lights of the backfield. His performance proved to be an eye-opener for the club. He was a good ballhandler and playcaller. Barry Prins, Plagenhoef's replacement, improved throughout the season and will press Plagenhoef next season.

Gary Hopkins was another fine blocker and made De Neff's end sweeps work. He and Walt Van Oosterhout alternated on defense.

Center Greg Vissches showed promise in the post while the line was led by co-captain and guard Tom Shashagway. He is a fine blocker with a good change. Tom Bast, Bill Beebe and Tom Heeringa were other strong guards. Dan Hill, leads the tackles. He is big and speedy and with some work could become a good player. Dick Martin, another tackler, is a big boy who is coming along. He has shown a lot of spirit and desire and likes it rough. John Smith, another tackler, also played considerably.

Darrel Schuurman and Steve Bronson are the ends. They need work but showed improvement. Tom Pelon played a lot of defense at the end of the season and Tom Fairbanks also played quite a bit.

Alan Vanderbeek, developed into a fine tackler and linebacker, and should help next season.

Election Sidelights

At 9:15 p.m. Tuesday, exactly one hour and 15 minutes after the polls closed, a gentleman came into The Sentinel office and asked for a copy of the election extra. We're not that good!

As expected, Holland city went overwhelmingly for Nixon, giving the Republican Presidential candidate about a 4 to 1 margin over his Democratic opponent. The vote in Holland's 16 precincts was 9,191 to 2,095. Four years ago when the city was considerably smaller, Holland voted 4 to 1 for Eisenhower.

The third precinct of the sixth ward (commonly called Apple Avenue area) was the first to report election returns to City Clerk Clarence Greengood. The call came promptly at 8:30 p.m., only a half hour after the polls had closed. John Sternberg is chairman of the precinct, assisted by Fred Dirkse, Mrs. Otto Schaap and Mrs. Lester Van Hecken.

Phone calls to The Sentinel were fewer than in previous elections, occasioned undoubtedly by full television and radio coverage. Program Director Bill Gargano of WHTC broadcast election news direct from The Sentinel newsroom.

The Sentinel office was a busy, though not frantic, place Tuesday night as staff members compiled the vote for the city and Ottawa County, as well as keeping up with district races.

Plenty of food was available ranging from cold chicken, a variety of cold cuts, cake and cookies, and a 100-cup urn of coffee. Cakes were provided by Mrs. Clyde Geerlings, wife of the 23rd district's state senator, a victor this year by the biggest margin ever, and Mrs. Randall Vandewater. Cold roast chicken was prepared by City Editor Al Bransdorfer who tried out a new recipe.

A surprise contribution in the form of assorted cookies (really good ones) came from Karel-Mari Kleinhekel, former of Fort Lauderdale, Fla., formerly of the Sentinel staff, who sent an election treat for Auld Lang Syne.

In the course of TV coverage during the day Tuesday, it was mentioned that Wisconsin has the presidential race separate from the state ticket. This led several voters to call the city clerk's office to check whether they had missed voting for President. Nope, they didn't miss, although Michigan followed that procedure in the 1952 vote. The result was that Eisenhower trailed the country instead of leading it. That was changed in 1956.

Steady rain from sprinkles to downright downpours failed to dampen enthusiasm of local voters who turned out in greater numbers than ever before. Since Holland has grown considerably through annexation programs in recent years, there are no comparisons with past figures. Tuesday's election brought out 91.3 per cent of the registered vote (11,398 votes cast out of a possible 12,488) in the city.

Ottawa county boosted its total vote considerably in four years too. In 1956, the vote was over 38,000. Tuesday's vote exceeded 43,000. Despite the heavy vote, the city's vote was tabulated and reported quickly. The first returns came in (Apple Ave. ward 6-1) promptly

Hemmeke-Kimball Vows Spoken

Mr. and Mrs. Fred Wayne Hemmeke (Joel's photo)

Miss Karen Lynn Kimball became the bride of Fred Wayne Hemmeke in a double ring ceremony performed Oct. 28 by the Rev. Charles Vander Beek.

Scene of the occasion was Rose Park Reformed Church which was decorated with two floor bouquets of snapdragons and mums, spiral candelabra, palms and ferns. White bows and ferns marked the pews.

The bride is the daughter of Mr. and Mrs. Walter J. Kimball, 345 James St. and the groom is the son of Mr. and Mrs. George Hemmeke of route 1, West Olive. Wedding attendants were Mrs. Russell Leeuw, sister of the bride, as matron of honor; Miss Judie Rolfs and Miss Sandy Van Slooten, bridesmaids; Brenda Jean Kimball, and Carol Ann Leeuw, nieces of bride, flower girls; Russell Leeuw, brother-in-law of the bride, best man, and Don Hemmeke, cousin of the groom, and Charles J. Kimball, brother of the bride, ushers.

Len Eilander sang "Because" and "The Lord's Prayer" accompanied by Mrs. Eilander who played wedding music.

The bride made her own wedding gown and headpiece. Fashioned of chintilly lace over taffeta, the gown featured a scalloped sweetheart neckline with pearls and sequins, long pointed sleeves, a fitted bodice which came to a V in front and back. The scallops of the neckline were repeated at the bottom of the skirt which was enhanced with a tulle flounce. The princess crown of seed pearls and rhinestones released an elbow length veil of imported bridal illusion. She carried an arrangement of pink and white sweetheart and mums on a white lace Bible with streamers.

Gowns of light blue net over taffeta in ballerina length were worn by the bride's attendants. The full skirts were complemented

with blue sashes extending to the hemlines. The circular veils were held in place by matching headbands of blue taffeta. They carried colonial bouquets of white mums centered with large blue mums and pink sweetheart roses. Floor length dresses of white dotted swiss over blue taffeta with blue sashes and blue ribbon streamers were worn by the flower girls. The dresses had puffed sleeves and round necks trimmed with lace. Their headbands were fashioned of fresh flowers with white veiling and they carried baskets of pink and white petals.

The newlyweds greeted about 120 guests at a reception held in the church basement. Punch bowl attendants were Mr. and Mrs. Clayton Bakker while Mr. and Mrs. Ken Hemmeke presided in the gift room and Miss Charlene Gay Kimball, niece of the bride, was at the guest book. Serving the guests were the Misses Karen Daniels, June De Waard, Linda Zimmer, Sheryl Brewer, Nancy Morris and Mary Ann Fabiano.

Mr. and Mrs. George Bosnjak, brother-in-law and sister of the groom, who were master and mistress of ceremonies were assisted by Mr. and Mrs. Eilander. A two-piece dress of medium blue wool was worn by the bride as the couple left on a honeymoon to Ohio, Indiana and Kentucky. With it she wore a corsage of pink and white sweetheart roses.

The bride's mother who made the gowns for the matron of honor, bridesmaids and flower girls, selected for herself a dress of beige and brown brocade satin with brown accessories. Her corsage consisted of a green cymbidium orchid. The mother of the groom wore a blue lace dress with black accessories and a pink cymbidium orchid.

A graduate of Holland High School, the bride is employed at the Holland Furnace Co. Her husband works at Holland Hitch.

Laymen's Group Has Convention

Twenty-one men from Holland were among the more than 600 delegates who attended the sixth annual convention of Reformed Church laymen held last weekend in Atlantic City, N. J.

Dr. Nelson Bell, editor of "Christianity Today" and father-in-law of Billy Graham, one of the principal speakers at the convention, said that the Christian Church must present a more virile New Testament Gospel to the world if she is to perform her much-needed function in society. More than 1,000 were present at the meeting held in the Ambassador Hotel.

The way to a new vitality in the church, he said, was for Christians to refuse to live first for immediate advantage of personal gain, and live with a concern for the ultimate, and their eyes fixed upon the eternal City of God.

Other key speakers were Dr. Justin Vander Kolk, president of New Brunswick Theological Seminary, Atty. George Bruer of Paterson, N. J., Dr. Paul Moser, executive secretary of United Presbyterian Church Men who spoke at the convention banquet, Dr. Louis H. Benes, editor of the Church Herald, Dr. John S. Badreau, L. Earle Winters, Dr. Daniel K. Poling, the Rev. Richard Hine and Dr. Bernard J. Mulder. Earle Winters of Paterson, N. J. is national chairman of the Reformed Church Brotherhood.

Sidney T. Youngsma, development director of Calvin College and Seminary, gave a humorous address to the members of the Holland Exchange Club and wives at their annual ladies night banquet Tuesday.

Mr. Youngsma is noted for his humorous talks, given with a heavy Dutch accent. There was, however, a solid core to the message on how to make a marriage succeed. He named three important ingredients for such a marriage—co-operation, contentment, and chuckles—the three C's.

Preceding the address Sandy Volkema and Dan Kadwell, starring in the local high school's production of "The King and I" sang two numbers from that show. Railroad Safety Told to Lincoln School Children

Railroad safety was emphasized at a Lincoln School assembly program on Monday. R. R. Davis and W. E. Rounsavell of the Safety and Fire Prevention Department of the C. & O. Railway Co. presented two films, one a cartoon film for the kindergarten, first and second grades and another film for the third, fourth, fifth and sixth grades. The films were based on accidents caused from trespassing, putting materials on the tracks and using railway equipment for targets.

The films also stressed the importance of the warning signs and signals at railroad crossings and the precautions that every one must take to insure a safe crossing. The careless and thoughtless driver was portrayed in the films and it was clearly shown that those accompanying the driver have a responsibility for the understanding of the warning signals.

A question and answer period was conducted by Mr. Davis at which time he talked about injuries that can be caused from playing with railway torpedoes and flares found on the right of way. The "Special Agent," a picture book about the railroad police, is available to the pupils.

Firm Reveals Growth Plans

A growth and modernization program of nearly \$500,000 was announced today by Charles Cooper, President of the Holland Motor Express Co.

The local motor freight firm will replace many items of older equipment, add new trucks, tractors, and trailers to the present fleet, and open a new repair facility at its Grand Rapids terminal.

Heading the list of purchases is a group of 11 new 40 foot over-the-road trailers. Thirty-five of these are modern closed vans while five are open-top vans necessary for the hauling of large items such as machinery. One frozen food van is also included in the equipment program.

New mechanical equipment includes three new diesel tractors, two conventional gasoline tractors, and two new city delivery trucks. Earlier in the year the firm purchased seven new diesels and two pick-up trucks.

The repair depot at Grand Rapids has just recently been completed and will commence operations in mid-November. This building has a floor area of approximately 5,000 square feet and has three trailer repair bays, a tractor repair section, offices and storage facilities. It will be used for repair of all trailers in the fleet. This repair work was formerly done at the Holland garage.

Space now freed at Holland will be used for tractor repair and equipment maintenance for the entire line. The new facility will not affect employment in Holland. Cooper, in making the announcement of the expansion and replacement program, stated that his firm feels growth and modernization essential to adequate safety, efficiency, and customer service. He said, also, that this large program was a corporate expression of confidence in the future of the nation's economy and of the Holland Motor Express Company's area of operations.

The local firm operates terminals in Michigan, Illinois, Indiana, Ohio and Kentucky.

Boy Scouts Have Trail Hike in Downtown Holland

Twenty-four Scouts of Troop 22 held a trail hike through the downtown shopping area Friday evening. The troop was divided into three equal groups by Scoutmaster Paul Young at the meeting in the basement of Beechwood Reformed Church.

Each group was given a Morse code message to decipher. The message included instructions such as: what to do, where to go, where to look for a stranger with a comic section of a newspaper in his right coat pocket.

This stranger was Mr. X, assistant Scoutmaster Bernard Dykema, who was found somewhere on Eighth St. He had a message giving instructions for a confetti trail to be followed. The trail ended at the Civic Center parking lot. Along the trail Scouts made maps of their course and where to find three committeemen of the troop, where they were and what they were doing. The three were Gerald Hamstra, Allan Hoffman and Henry Laarman.

In case Scouts were lost, at 8:30 p.m. they were to open a sealed envelope they carried to find their way to the end of the trail and a ride back to the troop meeting place.

A court of honor was planned for Friday. The meeting was closed with a ceremony by the Fox patrol.
